The Magister Lvcentinvs

Is one of the most prestigious European centres providing specialized education in Intellectual Property and Information Society Law. It is in this endeavour that some of the most influential IP institutions participate in its one-year Master Programme, taking place in Alicante, Spain, also the seat of the Office for Harmonization in the Internal Market (OHIM).

The Magister Lvcentinvs is a member of the European Intellectual Property Institutes Network (EIPIN).

Continuing Education

Pursuing its objective of contributing to the expansion of specialized knowledge in Europe, the Magister has launched a programme of "Special Modules" in 2010, in collaboration with different institutions and firms. Their aim is to provide practical and international knowledge of IP laws and practice.

The Community Design Special Module

This programme, an advanced and intensive seminar organized within the framework of the XIX Magister Lvcentinvs of the University of Alicante, is organized in collaboration with the OHIM and specialized firms.

It covers a wide variety of aspects of Design Law. Substantive and procedural issues, related with the protection of the Community Design, are explained in detail by experienced professionals, starting from the application for the Community Design and including strategic issues related with the enforcement and protection of the Community Design.

Who should participate?

The programme is designed for lawyers, law graduates, and professionals, who wish to specialize in the practice of Community Design Prosecution and Litigation. The programme is particularly suitable for practitioners and professionals unable to interrupt their professional activities for long periods of time. The participants will share their academic activities with specialists and post-graduate students coming from different countries, mainly from the European Union and Latin America.

Language

All special module programmes are taught fully in English, in order to promote international participation.
