“concerted practice” means cooperative or coordinated conduct between enterprises achieved through direct or indirect contact, that replaces their independent action but does not amount to an agreement;

“Court” means the High Court of Botswana;

PART V — *Control of restrictive agreements and dominant position*

Prohibition of horizontal agreements

25. An enterprise shall not enter into a horizontal agreement with another enterprise to the extent that such agreement involves any of the following practices —

- (a) directly or indirectly fixing a purchase or selling price or any other trading conditions;
- (b) dividing markets by allocating customers, suppliers, territories, or specific types of goods or services;
- (c) bid rigging, except where the person requesting the bids or tenders is informed of the terms of the agreement before the time that the bids or tenders are made;
- (d) restraints on production or sale, including restraint by quota;
- (e) a concerted practice; or
- (f) a collective denial of access, of an enterprise, to which is an arrangement or association crucial to competition.

Prohibition of vertical agreements

26. (1) An enterprise shall not enter into a vertical agreement with another business enterprise to the extent that the agreement involves resale price maintenance.

(2) Notwithstanding subsection (1), a supplier or producer may recommend a minimum resale price to the reseller of a good or service if—

- (a) the supplier or producer makes it clear to the reseller that the recommendation is not binding; and
- (b) the product has the recommended price stated on it, and the words “recommended price” appearing next to the stated recommended price.

Other horizontal and vertical agreements

27. (1) A horizontal agreement or vertical agreement other than one referred to under section 25 or section 26 (1) respectively, may be prohibited by the Authority if, following an investigation by the Authority, such agreement is found to have the object or effect of preventing or substantially lessening competition in a market for any goods or services in Botswana.

(2) Without prejudice to the generality of subsection (1), the Authority may prohibit any horizontal agreement or vertical agreement which —

- (a) limits or controls production, market outlets or access, technical development or investment;
- (b) applies dissimilar conditions to equivalent transactions with other trading parties, thereby placing them at a competitive disadvantage;
- (c) makes the conclusion of contracts subject to acceptance by other parties of supplementary conditions which, by their nature or according to commercial usage, have no connection with the subject of such contracts.

(3) This section does not apply to an agreement which, on its own or taken with another agreement —

- (a) constitutes a professional rule prescribed under Schedule I;
- (b) imposes obligations arising from a professional rule prescribed under Schedule I; or

(c) constitutes an agreement to act in accordance with a professional rule prescribed under Schedule I,

unless the professional rule constitutes an infringement of sections 25 or 26, or is considered to constitute an abuse of dominant position.

28. The Authority may carry out an investigation to determine whether the provisions of section 27 (1) should be applied if the Authority is satisfied that the parties to the agreement —

Threshold for determining prohibition

- (a) in the percentage, or acquire a prescribed percentage, of goods or services in a market in Botswana;
- (b) in the case of a vertical agreement, individually supply or acquire, at either one of the two levels of the market that are linked by the agreement, a prescribed percentage of goods or services of any description in a relevant market in Botswana.

29. (1) The provisions of sections 25, 26 (1) and 27 (1) do not apply to an agreement to which the only parties are interconnected parties.

Interconnected enterprises

(2) Where the parties to an agreement are not inter-connected parties but nonetheless share some degree of common ownership and control, the Authority shall adopt the presumption that the agreement is subject to sections 25, 26 (1) and 27 (1), unless either one of the enterprises concerned can show good cause why such presumption cannot be sustained.

(3) For the purposes of this section, bodies corporate are inter-connected if one of them is a subsidiary of the other or if both of them are subsidiaries of the same body corporate.

30. (1) Any conduct on the part of one or more enterprises is subject to prohibition by the Authority if, following an investigation by the Authority, such conduct is determined to amount to an abuse of a dominant position in any market.

Abuse of dominant position

(2) In determining whether an abuse of dominant position has occurred, the Authority may have regard to whether the agreement or conduct in question —

- (a) maintains or promotes exports from Botswana or employment in Botswana;
- (b) advances the strategic or national interest of Botswana in relation to a particular economic activity;
- (c) provides social benefits which outweigh the effects on competition;
- (d) occurs within the context of a citizen empowerment initiative of Government, or otherwise enhances the competitiveness of small and medium sized enterprises; or
- (e) in any other way enhances the effectiveness of the Government's programmes for the development of the economy of Botswana, including the programmes of industrial development and privatisation.

Threshold for
determining
dominant
position

31. For the purpose of investigating the potential application of the prohibition on abuse of dominant position, the Authority will consider a dominant position capable of existing in relation to the supply of goods or services of any description if it is satisfied that —

- (a) a prescribed percentage of those goods or services are supplied by one enterprise, or are acquired by one enterprise; or
- (b) a prescribed percentage of those goods or services are supplied by three or fewer enterprises, or are acquired by three or fewer enterprises.

PART VI — *Exemptions and assessment criteria*

Exemptions

32. (1) Where the Authority finds, on investigation that an agreement other than a horizontal agreement or a vertical agreement prohibited by section 25 and section 26 (1) respectively prevents or substantially lessens competition, the Authority may, subject to section 34, grant an exemption from the prohibition if it can be reasonably expected that there will be offsetting benefits for the public directly attributable to the agreement in the form of —

- (a) the maintenance of lower prices, higher quality or greater choice for consumers;
- (b) the promotion or maintenance of the efficient production, distribution or provision of goods and services;
- (c) the promotion of technical or economic progress in the production, distribution or provision of goods and services;

- (h) the agreement in any other way enhancing the effectiveness of the Government's programmes for the development of the economy of Botswana, including the programmes of industrial development and privatisation:

Provided that the prevention or lessening of competition is proportionate to the benefits for the public and does not allow the enterprises concerned to eliminate competition completely in respect of a substantial part of the products or services in question.

(2) Subject to section 34, the Authority may also grant an exemption to a category of agreements where it is satisfied that the agreements are unlikely to lead to a substantial lessening of competition, or that one or more of the circumstances specified in subsection (1) (d) to (h) exist or are reasonably expected to exist in relation to those agreements.

(3) An exemption granted in terms of this section shall be valid for such period as the Authority may consider appropriate and shall be subject to such conditions as the Authority may determine.

(4) The Authority shall publish, in the Gazette, all its decisions to grant an exemption and shall state its reasons for not applying the relevant prohibition to the agreement or category of agreements concerned.

33. (1) Where —

- (a) the Authority has determined that information on which an exemption was based is materially incorrect;
- (b) there is a material change in the circumstances regarding the exemption;
- (c) or if a condition on which the exemption was granted is not complied with,

the Authority may, subject to exemption.

Revocation of exemption

34. The Authority shall consult interested parties and shall consider any representation such parties may make before it grants an exemption or revokes an exemption.

Consultation on exemptions

- (ii) is prohibited after investigation in terms of sections 27 (1) and 30 (1); and

(b) the thresholds referred to under the provisions of sections 28 or 31 are, or may be, satisfied.

(2) Where the Authority decides to conduct an investigation, the Authority shall as soon as practicable, give written notice of the proposed investigation to every enterprise which is suspected to be a party to the practice to be investigated and shall in the notice —

- (a) indicate the subject matter and the purpose of the investigation; and
- (b) invite the enterprise concerned to submit to the Authority, any representation which the enterprise may wish to make to the Authority in connection with the matter to be investigated, within such period as the Authority shall specify in the notice.

(3) Where the Authority considers that to give notice under subsection (2) would materially prejudice the exercise of its powers to enter and search any premises in terms of section 36, it may defer the giving of notice until after those powers have been exercised.

(4) For purposes of an investigation under this section, the Authority may, by notice in writing served on any person considered by the Authority to be relevant to the investigation, require that person —

- (a) to provide the Authority with any information pertaining to any matter specified in the notice which the Authority considers relevant to the investigation, in a statement signed by —
 - (i) that person,
 - (ii) in the case of a body corporate, a director or member or other competent officer, employee, or agent of the body corporate, within the time and in the manner specified in the notice;

Entry and
search of
premises

36. (1) Where the Authority has reasonable grounds for suspecting that an enterprise has engaged in, is engaging in, or is about to engage in, a horizontal or vertical agreement prohibited in terms of section 25 (1) and section 26 (1) respectively or in the abuse of dominant position, the Authority may authorise the entry and search of that enterprise's premises, by an inspector appointed in writing by the Authority.

(2) Subject to subsection (3), an inspector appointed and authorised in writing by the Authority, may at any time during normal business hours —

Pre-decision
hearing

42. (1) Where an enterprise signifies that it wishes to make oral representations at a pre-decision hearing, the Commission shall —

agreements

43. (1) Where the Commission determines that a breach of the prohibitions under sections 25 (1) and 26 (1) has occurred, the Commission shall give an enterprise or enterprises involved in any of the activities prohibited by sections 25 and 26 such directions as are necessary to bring the breach of the prohibition to an end, including a direction to terminate or modify the agreement in question if it is still in force.

(2) The Commission may, in addition to, or instead of, giving a direction, make an order imposing a financial penalty on the enterprise or enterprises concerned.

(3) The Commission shall not impose a financial penalty unless the Commission is satisfied that the breach of the prohibition was committed intentionally or negligently.

(4) The amount of a penalty imposed in terms of subsection (2) shall not exceed 10% of the turnover of the enterprise during the breach of the prohibition up to a maximum of three years.

(5) An order imposing a penalty under subsection (2) shall specify the date before which the penalty is required to be paid, which date shall not be earlier than the period within which an appeal against the order may be brought.

(6) Where the penalty has not been paid by the specified date and —

(b) such an appeal was made but dismissed or withdrawn, the Commission may apply to the High Court for an order enforcing payment, which order if granted, may be enforced as if it were a civil judgment granted by the Court in favour of the Government.

(7) A financial penalty payable in terms of this Act shall be paid into the Consolidated Fund.

44. (1) If, upon the conclusion of an investigation and a hearing, the Commission determines that —

(a) an agreement constitutes an agreement referred to under section 27 (1), and that the circumstances provided for under section 32 (1) do not apply sufficiently to offset the adverse effects on, or absence of, competition; or

(b) an abuse of dominant position has occurred or is occurring and the provisions of section 30 do not apply to the matter or do not apply sufficiently to offset the adverse effects on, or absence of, competition, the Commission shall give the enterprise or enterprises concerned such directions as the Commission considers necessary, reasonable or practicable.

(2) The Commission may, acting under subsection (1) direct the enterprise concerned to remedy, mitigate or prevent —

(a) the adverse effects on competition that the Commission has identified; or

(b) any detrimental effects on users and consumers to the extent that they have resulted from, or may be expected to result from, the adverse effects on, or absence of, competition.

Directions on
abuse of
dominant
position

- Application of remedies 45. Except where a concerned enterprise has —
 (a) elected not to attend a hearing which it had itself requested; or
 (b) failed to attend a hearing when required to do so by the Commission, the Commission may not apply a remedy or impose a financial penalty unless the enterprise against whom it is proposed to take relevant action has had the opportunity to state its views at an initial hearing or at a pre-decision hearing.
- Interim relief 46. (1) Where the Authority has reasonable grounds to suspect that an enterprise is —
 (a) party to an agreement falling within the scope of sections 25 or 26 (1),
 (b) party to an agreement which may prove, on investigation, to fall within the scope of section 27 (1), or
 (c) engaged in conduct which may prove, on investigation, to constitute abuse of dominant position,
 but the Authority has not completed its investigation into the matter, the Commission may where it considers it necessary for the purpose of preventing irreparable damage to a particular person or category of persons, or protecting the public interest, give such directions as it considers appropriate for that purpose.
 (2) Before giving a direction under this section, the Commission shall —
 (a) give written notice to the enterprise or enterprises to whom it proposes to give the direction; and
 (b) give the enterprise or each of the enterprises an opportunity to make written or oral representations.
 (3) A notice under subsection (2) must indicate the nature of the direction which the Commission is proposing to give and its reasons for wishing to give it.
 (4) A direction given under this section has effect while subsection (1) applies, but may be replaced if the circumstances permit by a direction under section 43 (1).
- Acceptance of undertaking 47. (1) An enterprise may offer an undertaking to the Authority to address any concern that has arisen, or may be expected to arise, prior to or during an investigation in respect of an agreement falling within the scope of sections 25, 26 (1) or 27 (1) or of conduct falling within the scope of section 30 (1).
 (2) The Authority may determine a case on the basis of an undertaking if the Authority considers that the undertaking satisfactorily covers all concerns it has over the adverse effects for competition of the agreement or conduct.
- Enforcement of directions 48. (1) Where the Authority has reasonable grounds to believe that an enterprise has, without reasonable excuse, failed to comply with a direction issued pursuant to the Commission's powers under this Act or with the terms of an exemption granted under section 32, the Authority may exercise the powers of investigation provided for in Part VII.
 (2) Where the Authority proposes to determine that such failure has occurred, it must give notice of its intention to the enterprise concerned and consider any representations the enterprise wishes to make.

(3) The Commission may then apply to the Court for an order requiring the enterprise to make good the default within a time specified in the order.

(4) The order may provide for all the costs of, or incidental to, the application for the order, to be borne by the enterprise in default.

PART IX — *Market inquiries*

49. (1) Where the Authority has reasonable grounds to suspect that, in the light of observed price rigidities or other circumstances, a restriction or distortion of competition may be occurring —

- (a) within a particular sector of the economy; or
- (b) within a particular type of agreement occurring across various sectors, the Authority may initiate a market inquiry.

(2) The objective of an inquiry shall be to determine —

- (a) whether any feature, or combination of features, of each relevant sector and each type of agreement has the effect of preventing, restricting or distorting competition in connection with the supply or acquisition of any goods or services in Botswana or part of Botswana; and
- (b) whether any of the mitigating circumstances specified in sections 30 (2) or 32 (1) apply to the sector or type of agreement on the same basis they would have applied to an individual matter arising under sections 25, 26 (1), 27 (1) or 30 (1).

50. For the purposes of an inquiry under section 49, the Authority may invite all interested parties to submit information and may in addition exercise, in relation to enterprises considered to be involved in the matters covered by the inquiry, all the powers of investigation conferred on the Authority by Part VII.

51. (1) The Authority shall publish its findings at the conclusion of an inquiry.

(2) In the event that the Authority determines that adverse effects for competition exist in relation to a sector or type of agreement referred to in section 49 (2) (a) and that either section 49 (2) (b) does not apply or applies only to a limited extent, the Authority shall —

- (a) to the extent that a practice identified by the inquiry is capable of being addressed as a matter falling within sections 25, 26 (1), 27 (1) or 30 (1), deal with it in accordance with those provisions; or
- (b) to the extent that the adverse effects for such competition cannot be remedied under this Act or are the result of other legislative provisions or regulatory measures, make recommendations to the Minister for such further action, including amendments to legislation, as is required to provide an effective remedy.

57. (1) For the purpose of considering a notified merger, the Authority may refer the notification of the proposed merger to an inspector for an investigation and report in relation to the criteria specified in section 59.

- (b) would be likely to result in any enterprise, including an enterprise which is not involved as a party in the proposed merger, acquiring a dominant position in a market.

(2) The Authority may in addition, consider any factor which, the Authority considers bears upon the broader public interest in the proposed merger, including the extent to which —

(3) An undertaking accepted by the Authority shall be published in the form of a decision by the Authority.

(4) An undertaking accepted by the Authority shall have effect as if it were a direction.

implemented
in
contravention
of Act

- (a) requiring them to submit such information regarding the suspected merger as may be specified by the Authority; or
- (b) restraining the parties from implementing the merger or taking steps such as the integration of activities or the disposal of assets that would pre-empt the taking of remedial action designed to restore the conditions of competition existing prior to the merger.

(2) Where the Authority proposes to determine that a failure of compliance in the terms of subsection (1) has occurred, it must give notice of its intention to the enterprise concerned and consider any representations the enterprise wishes to make.

(3) The Authority may then apply to the Court for an order requiring the enterprise to make good the default within a time specified in the order.

(4) The order may provide for all of the costs of, or incidental to, the application for the order, to be borne by the enterprise in default.
