

DIRECTIVE 97/5/EC OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL**of 27 January 1997****on cross-border credit transfers**

THE EUROPEAN PARLIAMENT AND THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community, and in particular Article 100a thereof,

Having regard to the proposal from the Commission ⁽¹⁾,

Having regard to the opinion of the Economic and Social Committee ⁽²⁾,

Having regard to the opinion of the European Monetary Institute,

Acting in accordance with the procedure laid down in Article 189b of the Treaty ⁽³⁾ in the light of the joint text approved on 22 November 1996 by the Conciliation Committee,

(1) Whereas the volume of cross-border payments is growing steadily as completion of the internal market and progress towards full economic and monetary union lead to greater trade and movement of people within the Community; whereas cross-border credit transfers account for a substantial part of the volume and value of cross-border payments;

(2) Whereas it is essential for individuals and businesses, especially small and medium-sized enterprises, to be able to make credit transfers rapidly, reliably and cheaply from one part of the Community to another; whereas, in conformity with the Commission Notice on the application of the EC competition rules to cross-border credit transfers ⁽⁴⁾, greater competition in the market for cross-border credit transfers should lead to improved services and reduced prices;

(4) Whereas the European Parliament, in its resolution of 12 February 1993 ⁽⁵⁾, called for a Council Directive to lay down rules in the area of transparency and performance of cross-border payments;

(5) Whereas the issues covered by this Directive must be dealt with separately from the systemic issues which remain under consideration within the Commission; whereas it may become necessary to make a further proposal to cover these systemic issues, particularly the problem of settlement finality;

(6) Whereas the purpose of this Directive is to improve cross-border credit transfer services and thus assist the European Monetary Institute (EMI) in its task of promoting the efficiency of cross-border payments with a view to the preparation of the third stage of economic and monetary union;

(7) Whereas, in line with the objectives set out in the second recital, this Directive should apply to any credit transfer of an amount of less than ECU 50 000;

(8) Whereas, having regard to the third paragraph of Article 3b of the Treaty, and with a view to ensuring transparency, this Directive lays down the minimum requirements needed to ensure an adequate level of customer information both before and after the execution of a cross-border credit transfer; whereas these requirements include indication of the complaints and redress procedures offered to customers, together with the arrangements for access thereto; whereas this Directive lays down minimum execution requirements, in particular in terms of performance, which institutions offering cross-border credit transfer services should adhere to, including the obligation to execute a cross-border credit transfer in accordance with the customer's instructions; whereas this Directive fulfils the conditions deriving from the principles set out in Commission Recommendation 90/109/EEC of 14 February 1990

on the transparency of banking conditions relating to cross-border financial transactions⁽¹⁾; whereas this Directive is without prejudice to Council Directive 91/308/EEC of 10 June 1991 on prevention of the use of the financial system for the purpose of money laundering⁽²⁾;

- (9) Whereas this Directive should contribute to reducing the maximum time taken to execute a cross-border credit transfer and encourage those institutions which already take a very short time to do so to maintain that practice;
- (10) Whereas the Commission, in the report it will submit to the European Parliament and the Council within two years of implementation of this Directive, should particularly examine the time-limit to be applied in the absence of a time-limit agreed between the originator and his institution, taking into account both technical developments and the situation existing in each Member State;
- (11) Whereas there should be an obligation upon institutions to refund in the event of a failure to successfully complete a credit transfer; whereas the obligation to refund imposes a contingent liability on institutions which might, in the absence of any limit, have a prejudicial effect on solvency requirements; whereas that obligation to refund should therefore be applicable up to ECU 12 500;
- (12) Whereas Article 8 does not affect the general provisions of national law whereby an institution has responsibility towards the originator when a cross-border credit transfer has not been completed because of an error committed by that institution;
- (13) Whereas it is necessary to distinguish, among the circumstances with which institutions involved in the execution of a cross-border credit transfer may be confronted, including circumstances relating to insolvency, those caused by *force majeure*; whereas for that purpose the definition of *force majeure* given in Article 4 (6) of Directive 90/314/EEC of 13 June 1990 on package travel, package holidays and package tours⁽³⁾ should be taken as a basis;
- (14) Whereas there need to be adequate and effective complaints and redress procedures in the Member States for the settlement of possible disputes between customers and institutions, using existing procedures where appropriate,

HAVE ADOPTED THIS DIRECTIVE:

TRANSPARENCY OF CONDITIONS FOR CROSS-BORDER CREDIT TRANSFERS

Article 3

Prior information on conditions for cross-border credit transfers

The institutions shall make available to their actual and prospective customers in writing, including where appropriate by electronic means, and in a readily comprehensible form, information on conditions for cross-border credit transfers. This information shall include at least:

- indication of the time needed, when a cross-border credit transfer order given to the institution is executed, for the funds to be credited to the account of the beneficiary's institution; the start of that period must be clearly indicated,

- indication of the time needed, upon receipt of a cross-border credit transfer, for the funds credited to the account of the institution to be credited to the beneficiary's account,
- the manner of calculation of any commission fees and charges payable by the customer to the institution, including where appropriate the rates,
- the value date, if any, applied by the institution,
- details of the complaint and redress procedures available to the customer and arrangements for access to them,
- indication of the reference exchange rates used.

Article 4

Information subsequent to a cross-border credit transfer

The institutions shall supply their customers, unless the latter expressly forgo this, subsequent to the execution or receipt of a cross-border credit transfer, with clear information in writing, including where appropriate by electronic means, and in a readily comprehensible form. This information shall include at least:

- a reference enabling the customer to identify the cross-border credit transfer,
- the original amount of the cross-border credit transfer,
- the amount of all charges and commission fees payable by the customer,
- the value date, if any, applied by the institution.

Where the originator has specified that the charges for the cross-border credit transfer are to be wholly or partly borne by the beneficiary, the latter shall be informed thereof by his own institution.

Where any amount has been converted, the institution which converted it shall inform its customer of the exchange rate used.

SECTION III

MINIMUM OBLIGATIONS OF INSTITUTIONS IN RESPECT OF CROSS-BORDER CREDIT TRANSFERS

Article 5

Specific undertakings by the institution

Unless it does not wish to do business with that customer, an institution must at a customer's request, for a cross-border credit transfer with stated specifications, give an undertaking concerning the time needed for execution of the transfer and the commission fees and charges payable, apart from those relating to the exchange rate used.

*Article 6***Obligations regarding time taken**

1. The originator's institution shall execute the cross-border credit transfer in question within the time limit agreed with the originator.

Where the agreed time limit is not complied with or, in the absence of any such time limit, where, at the end of the fifth banking business day following the date of acceptance of the cross-border credit transfer order, the funds have not been credited to the account of the beneficiary's institution, the originator's institution shall compensate the originator.

Compensation shall comprise the payment of interest calculated by applying the reference rate of interest to the amount of the cross-border credit transfer for the period from:

- the end of the agreed time limit or, in the absence of any such time limit, the end of the fifth banking business day following the date of acceptance of the cross-border credit transfer order, to
- the date on which the funds are credited to the account of the beneficiary's institution.

Similarly, where non-execution of the cross-border credit transfer within the time limit agreed or, in the absence of any such time limit, before the end of the fifth banking business day following the date of acceptance of the cross-border credit transfer is attributable to an intermediary institution, that institution shall be required to compensate the originator's institution.

2. The beneficiary's institution shall make the funds resulting from the cross-border credit transfer available to the beneficiary within the time limit agreed with the beneficiary.

Where the agreed time limit is not complied with or, in the absence of any such time limit, where, at the end of the banking business day following the day on which the funds were credited to the account of the beneficiary's institution, the funds have not been credited to the beneficiary's account, the beneficiary's institution shall compensate the beneficiary.

Compensation shall comprise the payment of interest calculated by applying the reference rate of interest to the amount of the cross-border credit transfer for the period from:

- the end of the agreed time limit or, in the absence of any such time limit, the end of the banking business day following the day on which the funds were credited to the account of the beneficiary's institution, to
- the date on which the funds are credited to the beneficiary's account.

3. No compensation shall be payable pursuant to paragraphs 1 and 2 where the originator's institution or, as the case may be, the beneficiary's institution can establish

that the delay is attributable to the originator or, as the case may be, the beneficiary.

4. Paragraphs 1, 2 and 3 shall be entirely without prejudice to the other rights of customers and institutions that have participated in the execution of a cross-border credit transfer order.

*Article 7***Obligation to execute the cross-border transfer in accordance with instructions**

1. The originator's institution, any intermediary institution and the beneficiary's institution, after the date of acceptance of the cross-border credit transfer order, shall each be obliged to execute that credit transfer for the full amount thereof unless the originator has specified that the costs of the cross-border credit transfer are to be borne wholly or partly by the beneficiary.

The first subparagraph shall be without prejudice to the possibility of the beneficiary's institution levying a charge on the beneficiary relating to the administration of his account, in accordance with the relevant rules and customs. However, such a charge may not be used by the institution to avoid the obligations imposed by the said subparagraph.

2. Without prejudice to any other claim which may be made, where the originator's institution or an intermediary institution has made a deduction from the amount of the cross-border credit transfer in breach of paragraph 1, the originator's institution shall, at the originator's request, credit, free of all deductions and at its own cost, the amount deducted to the beneficiary unless the originator requests that the amount be credited to him.

Any intermediary institution which has made a deduction in breach of paragraph 1 shall credit the amount deducted, free of all deductions and at its own cost, to the originator's institution or, if the originator's institution so requests, to the beneficiary of the cross-border credit transfer.

3. Where a breach of the duty to execute the cross-border credit transfer order in accordance with the originator's instructions has been caused by the beneficiary's institution, and without prejudice to any other claim which may be made, the beneficiary's institution shall be liable to credit to the beneficiary, at its own cost, any sum wrongly deducted.

*Article 8***Obligation upon institutions to refund in the event of non-execution of transfers**

1. If, after a cross-border credit transfer order has been accepted by the originator's institution, the relevant amounts are not credited to the account of the beneficiary's institution, and without prejudice to any other claim which may be made, the originator's institution shall credit the originator, up to ECU 12 500, with the amount of the cross-border credit transfer plus:

- interest calculated by applying the reference interest rate to the amount of the cross-border credit transfer for the period between the date of the cross-border credit transfer order and the date of the credit, and
- the charges relating to the cross-border credit transfer paid by the originator.

These amounts shall be made available to the originator within fourteen banking business days following the date of his request, unless the funds corresponding to the cross-border credit transfer have in the meantime been credited to the account of the beneficiary's institution.

Such a request may not be made before expiry of the time limit agreed between the originator's institution and the originator for the execution of the cross-border credit transfer order or, in the absence of any such time limit, before expiry of the time limit laid down in the second subparagraph of Article 6 (1).

Similarly, each intermediary institution which has accepted the cross-border credit transfer order owes an obligation to refund at its own cost the amount of the credit transfer, including the related costs and interest, to the institution which instructed it to carry out the order. If the cross-border credit transfer was not completed because of errors or omissions in the instructions given by that institution, the intermediary institution shall endeavour as far as possible to refund the amount of the transfer.

2. By way of derogation from paragraph 1, if the cross-border credit transfer was not completed because of its non-execution by an intermediary institution chosen by the beneficiary's institution, the latter institution shall be obliged to make the funds available to the beneficiary up to ECU 12 500.

3. By way of derogation from paragraph 1, if the cross-border credit transfer was not completed because of an error or omission in the instructions given by the originator to his institution or because of non-execution of the cross-border credit transfer by an intermediary institution expressly chosen by the originator, the originator's institution and the other institutions involved shall endeavour as far as possible to refund the amount of the transfer.

Where the amount has been recovered by the originator's institution, it shall be obliged to credit it to the originator. The institutions, including the originator's institution, are not obliged in this case to refund the charges and interest accruing, and can deduct the costs arising from the recovery if specified.

Article 9

Situation of *force majeure*

Without prejudice to the provisions of Directive 91/308/EEC, institutions participating in the execution of

a cross-border credit transfer order shall be released from the obligations laid down in this Directive where they can adduce reasons of *force majeure*, namely abnormal and unforeseeable circumstances beyond the control of the person pleading *force majeure*, the consequences of which would have been unavoidable despite all efforts to the contrary, which are relevant to its provisions.

Article 10

Settlement of disputes

Member States shall ensure that there are adequate and effective complaints and redress procedures for the settlement of disputes between an originator and his institution or between a beneficiary and his institution, using existing procedures where appropriate.
