Order According Reciprocal Protection to Switzerland under the Act

SOR/94-27

Registration January 11, 1994

INTEGRATED CIRCUIT TOPOGRAPHY ACT

Order According Reciprocal Protection to Switzerland under the Act

The Minister of Industry, Science and Technology, pursuant to subparagraph 4(1)(*c*)(iii)* of the *Integrated Circuit Topography Act***, hereby certifies that Switzerland is a country that confers protection that is substantially equal to the protection conferred by that Act on nationals of Canada and individuals or legal entities that have in Canada a real and effective establishment for the creation of topographies or the manufacture of integrated circuit products.
